MEMORANDUM FOR:

SUBJECT : Shift Parking

Attached is a note I received from one of our Deputies regarding the "shift" violators. I would appreciate it if possibly the users of the shift tickets could be briefed once again as to what their privileges are under existing parking regulations. I assume that Commo and ISD have the majority of shift personnel; therefore, I am bringing this to Ernie's and Ace's attention. Any action that can be taken in correcting this problem will be appreciated.
